## The Kaua'i Pain Conference Opportunity

The Kauai Pain Conference (KPC) presents the latest information in pain management and has become a forum to:

- Discuss the treatment of pain
- Establish best practices
- Learn and review emerging treatment options

### What Sponsors Say

"It was a very strong meeting, great turn out. [Our company] felt completely at the top of their game but also felt like they were major partners with all of you, which as we all know makes a huge difference!"

### What Attendees Say

"As a result of attending [the Kauai Pain Conference], I'm better able to explain the risks of opioid medications."

"I will increase the use of functional evaluation metrics in my practice."

"I will more-often refer cases to a pain specialist."

## About the Kaua'i Pain Conference

Now in its 5<sup>th</sup> year, the Kauai Pain Conference (KPC) has blossomed into the premier pain conference on the Hawai'ian Islands. KPC began in 2014 following the opening of the Spine and Pain Center of Kauai (SPCK) as a sister conference to the renowned Napa Pain Conference ([NapaPainConference.com](http://NapaPainConference.com)).

KPC connects the best and brightest minds in the fields of pain management and neuroscience with learners and public policy officials. This is an opportunity for attendees to learn the latest in the treatment of chronic pain and emerging therapies, while enjoying a beautiful and relaxing setting.

With a world-class Program Committee and insightful and dynamic presentations, this is your opportunity to connect with your customers in Hawai'i.

## Neurovations Education

Neurovations Education designs conferences and targeted education in the areas of pain, neuroscience, treatment of chronic conditions, and emerging medicine. We take pride in creating one-of-a-kind opportunities for learning, collaborating, and networking.

The Kauai Pain Conference is led by scholars, innovators and clinical experts in partnership of the Spine and Pain Center of Kauai and benefits the HealthRoots Foundation for Global Health,

## Overview

Pain affects more lives than those affected by heart disease, cancer, and diabetes combined.

The Kauai Pain Conference offers a unique forum for sharing advances and standards in pain management and treatment for colleagues in ALL disciplines of medicine, with exceptional content presented by national leaders in pain medicine, patient safety, community health, and the regulatory environment. The appropriate assessment and treatment of pain has a far-reaching impact on morbidity, mortality, quality of life, and economics — of individuals, communities, and across the healthcare system.

The Kauai Pain Conference attracts a mix of senior-to-mid career physicians, private practice owners, advanced practice providers, researchers, industry, students and pharmacists. Specialties in attendance are pain management, family medicine, internal medicine, primary care, emergency, oncology, and anesthesiology.

### Physicians of Osteopathy

The American Osteopathic Association (AOA) accepts *AMAPRA Category 1 Credits*<sup>™</sup> as AOA 2-B credit.

## KPC2018

### Creating a Community

When was the last time you were passionate about education?

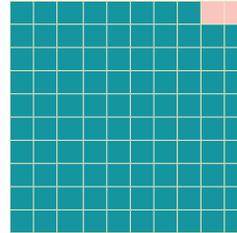

Through a focus on instructional design and learner needs, we create enthusiastic fans who return year-over-year and help to spread the word that quality content happens at KPC.

World-class speakers lead every session, continuing our tradition of excellence in education. The conference centered upon developments in pain management, science, and treatment, with new forums for learner engagement.

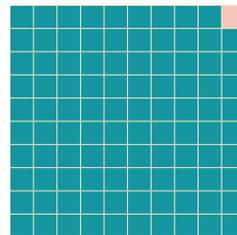

Saturday's Community Forums included healthcare leaders from across the country, state officials, regional societies and local institutions, united around systems-level challenges impacting the treatment of patients with acute and chronic pain.

The 2018 Community Forum workshops included:

- Compliance with SB505
- Informed consent & patient/provider contracts
- System-level approaches for coordinating care and opioid tapering

**97%**  
recommend  
the Kauai Pain  
Conference to  
colleagues

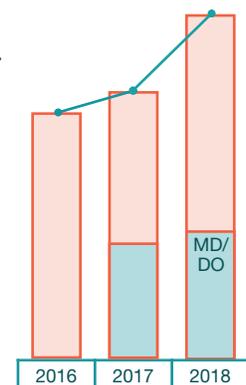

**99%**  
of learners change  
their practice as a  
result of attending

### Attendance

The 2018 Kauai Pain Conference was the largest yet, attracting more pain specialists from the mainland and internal medicine and family practice physicians from the Islands.

**130** registrants attended the  
4<sup>th</sup> Annual Kaua'i Pain Conference.

↑ 30% from 2017

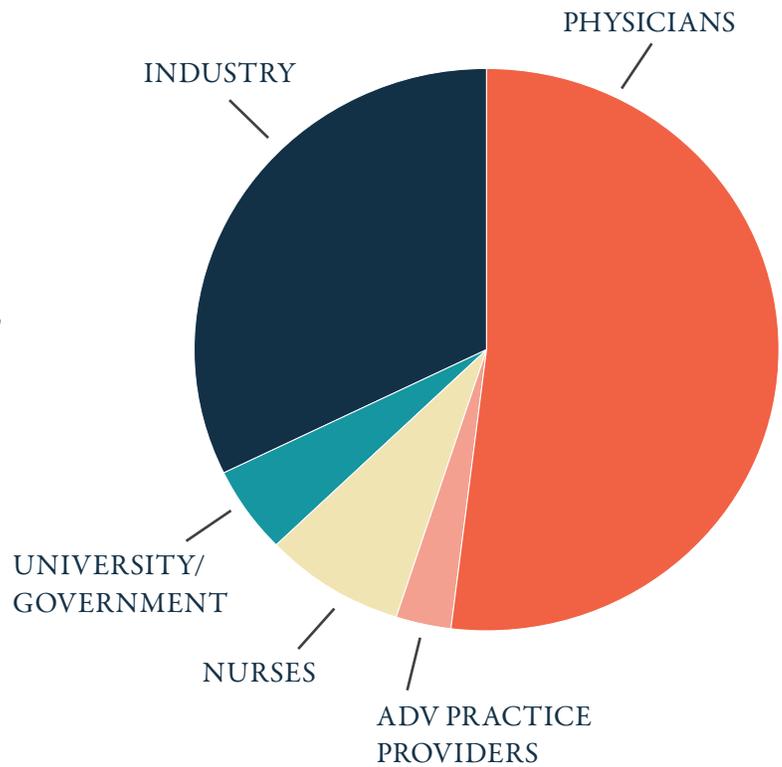

## MARKETING

We're partnering with the Hawaii IPA, Wilcox Hospital, Tripler Army Medical Center, and HMSA to expand attendance in 2019.

KPC web, email, and print campaigns reach tens of thousands of clinicians in pain management, neuroscience, regenerative medicine and family practice, and these materials include information about our exhibitors and sponsors.

### 2018 Attendees

## Keynote

### LINDA L. PORTER, PhD

Director, Office of Pain Policy, Program Director, Systems and Cognitive Neuroscience  
NIH National Institute of Neurological Disorders and Strokes (NINDS)

### The NIH HEAL Initiative: Doubling Funding to Accelerate Scientific Solutions to Stem the National Opioid Epidemic

**Bio** Dr. Linda Porter directs the Office of Pain Policy at NINDS. In this capacity, Dr. Porter provides guidance and coordination of the NIH pain research programs through collaboration with the NIH Pain Consortium and supports the activities and programs of the consortium. She also serves as the Designated Federal Official for the Interagency Pain Research Coordinating Committee, an entity established through the Patient Protection and Affordable Care Act of 2010 to address issues relevant to the federal pain research portfolio.

Dr. Porter joined the NINDS in 2003 as a Program Director in Systems and Cognitive Neuroscience.

Dr. Porter received a B.Sc. in Physical Therapy from McGill University. Her clinical practice focused on developmental disabilities. She later earned a Ph.D. in neuroanatomy from Boston University School of Medicine. As a postdoctoral fellow at the Rockefeller University, she trained with Hiroshi Asanuma in neurophysiology of sensory-motor systems.

She was on the faculty of the Uniformed Services University of the Health Sciences (USUHS) for 15 years before joining the NINDS. During those years she directed an NIH funded research program aimed at elucidating mechanisms of sensory-motor integration at the cortical level. She also studied the effects of various neuromodulators on developing cortical neurons and their neuroprotective influence over neurons in the mature cortex. She taught in the Graduate Neuroscience Program and the School of Medicine at USUHS.

## Rules & Regulations for Exhibiting Companies

### ACCREDITATION COUNCIL FOR CONTINUING MEDICAL EDUCATION (ACCME) GUIDELINES (ACCME C8, C9, SCS 3, SCS4)

No commercial promotional materials shall be displayed or distributed in the same room immediately before, during, or after an educational activity certified for credit takes place.

Representatives of commercial companies may attend an educational activity, but they may not engage in sales activities while in the room where the educational activity takes place.

Providing grants and/or other commercial support (financial or in-kind) for Continuing Medical Education (CME) activities does not influence booth space or assignment decisions. Exhibiting or otherwise advertising is not contingent upon the provision of an educational grant or other commercial support and may be purchased even if no grant is provided. Similarly, commercial support may be provided without advertising and is not contingent upon agreements to advertise or exhibit at the event.

Commercial entities may not discuss or influence the planning or presentation of CME content with speakers or planners of the activity.

---

### AUDIOVISUAL USAGE IN EXHIBITS

Audiovisual equipment as part of a display is acceptable; however, sound equipment must be regulated so that it doesn't disturb neighboring exhibitors (providing headsets for attendees is acceptable). In addition, spectators may not obstruct aisles or interfere with access to other exhibits.

Conference staff reserve the right to determine when sound levels from equipment constitutes interference with others or is unacceptable. In such an event, sound must be reduced or equipment will be removed at the exhibitor's expense.

Exhibitors are responsible for obtaining appropriate licenses for any copyrighted materials, audio, and/or video utilized as part of an exhibit.

---

### BOOTH STAFF

Exhibits must be staffed each day during exhibit hours. Representatives are expected to dress and conduct themselves in a professional manner consistent with a medical education meeting.

Representatives and employees of Neuroventions Education shall have free access to any exhibit at all times in the performance of their assigned duties.

Exhibits are required to remain in place during the conference. Contact [Education@Neuroventions.com](mailto:Education@Neuroventions.com) in the event that special arrangements are required. No exhibit may be dismantled or packed prior to the official closing of the exhibition, and exhibit dismantling must be completed during the hours specified.

## Rules & Regulations for Exhibiting Companies

### BADGES

All company employees, representatives and guests are required to wear conference-issued exhibitor badges at all times, in an unobstructed manner, while in the function space. Badges may not be altered in any manner. Company badges are not acceptable in lieu of official conference badges.

---

### RESPECT FOR THE HOST LOCATION

Exhibitors may not install any permanent fixtures or deface property in any way. Upon completion of the meeting, exhibitors are expected to leave the exhibit space in the same condition that it was received.

Items and services, such as extra trash cans or wired internet, maybe contracted directly with the property and property's contractors (as applicable and available) at exhibitor's expense.

Balloons are not permitted as part of an exhibitor's display.

Photographing another exhibitor's booth is grounds for cancellation of an offending exhibitor's booth, at sole discretion of Neuroventions Education. Exhibitors will not be entitled to a refund in such a situation.

---

### GIVEAWAYS

Giveaways of items with company logos, brand logos, or slogans readily visible are **NOT** permitted at the Kauai Pain Conference.

Companies regulated by the Pharmaceutical Research and Manufacturers of America's (PhRMA) codes governing interactions with healthcare professionals and the Advanced Medical Technology Association (AdvaMed), will be limited to giveaways allowed under such rules and codes of conduct. These items are those designed primarily for the education of patients or healthcare professionals. Due to these codes, companies regulated by PhRMA or AdvaMed are not allowed the following giveaways: pens, pencils, notepads, small desk clocks, pocket calculators, desk calendars and mouse-pads.

Prescription drug samples may be distributed to physicians only in accordance with the Prescription Drug Marketing Act. Distribution of approved items must not create a nuisance or cause interference with adjoining exhibits.

## Rules & Regulations for Exhibiting Companies

### DISPLAY OF DRUGS AND DEVICES NOT APPROVED BY THE FEDERAL FOOD AND DRUG ADMINISTRATION (FDA)

Any investigational product that is graphically depicted within the exhibit is subject to the following rules:

- Contain only objective statements about the product
- Contain no claims of safety, effectiveness, or reliability
- Contain no claims about how the product compares with marketed products
- Must be accompanied by directions for becoming an investigator and a list of investigator responsibilities
- Prominently display the statement “Caution— Investigational Device—Limited to Investigational Use” on the product in a type size that is easy to read

Exhibitors agree not to sell, promote, or distribute in any fashion any non-approved product, in whole or in part, during or in connection with the meeting to U.S. attendees. Exhibitors may, however, conduct sales activities for, and market and promote, non-approved products, solely to attendees who are non-U.S. doctors, exclusively for sales outside the United States, provided that such activities are in compliance with the relevant laws of any such non-U.S. jurisdiction. In accordance with U.S. Law, exhibitors may not sell and deliver Non-FDA approved products to U.S. physicians at the meeting. Exhibitors may sell and deliver Non-FDA approved products to non-U.S. physicians as long as they adhere to all applicable U.S. laws and regulations.

You can find further information and guidance on the subject at [www.FDA.gov](http://www.FDA.gov).

Penalties for non-compliance to the FDA rules and regulations include:

- Neuroventions Education, at its sole discretion, will immediately shut down the exhibitor’s booth for the remainder of the meeting
- The exhibitor will not be entitled to a refund
- The exhibitor may face legal action from the U.S. government for failing to comply with the appropriate rules and regulations
- The exhibitor may not be invited to participate in future meetings

Easily visible signs stating “This device is not cleared by the FDA for distribution in the United States” or “This device is limited by federal law to investigational use only” must be placed near the device or drug and on any graphic depicting the device or drug.
